Breakfast Club

Dear Parents/Carers,

I am writing to inform you of changes to our current breakfast club provision. We have avoided revising our prices for as long as possible, but a significant increase in running costs has resulted in us needing to increase prices effective from Monday 15th April 2024. The daily cost for Breakfast Club will increase to £2.50 per day.

In addition to the price increase, we will be making some changes to how parents book Breakfast Club places. Moving forward we will be asking all parents to pre-book places for Breakfast club using School Gateway.

Places will need to be booked by 3.30pm for the next day. If pupils turn up without booking a place they can remain in breakfast club for that day but parents will be called to ensure a place is booked in future. This is to ensure we have the correct staffing ratios for the number of pupils attending. If you need any support using School Gateway please speak to a member of the admin team.

We have also been improving our breakfast club provision by providing the pupils with a wider range of activities each morning including crafts, board games and a range of books. After Easter we will also be introducing wake up shake up and access to the outdoor area with some outdoor resources.

To ensure the safety of all pupils we are also asking that parents walk pupils into the school main office when they drop them off for Breakfast club and do not drop them in the car park.

If you have any questions or queries please contact Tahnee Vasco

Thank you for your continued support

Yours sincerely,
