

Hope and Aspiration

Hope and Aspiration

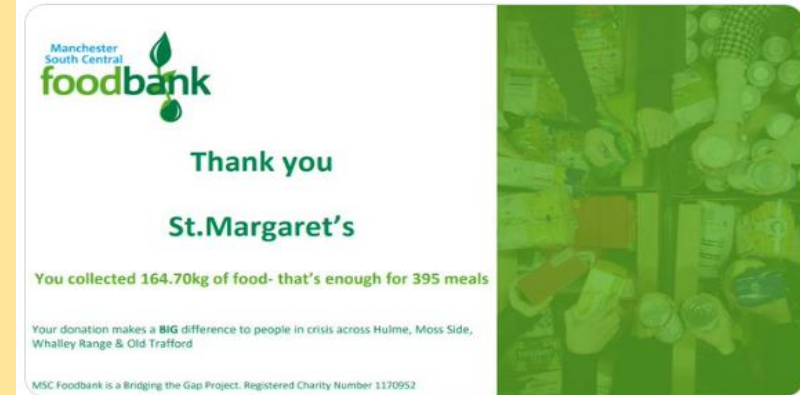

Thank you to all of our school community for raising a fantastic £520 and counting for [#ChildrenInNeed2022](#)

Year four took part in **Mental Health Week's 'Let's Connect'** theme by creating a class paper chain of all aspects that bring us together. We talked about our hobbies, interests, languages and food as just a few ways in which we can connect. [@Place2Be](#)

A special thank you from our local foodbank for our harvest collection which was donated to them!

We would like to thank our very supportive school community, Luke our gardening guru and Judith and Jane from **Whalley Range Climate Action Group** for helping us raise £200 for **Chibombo People's Climate Action in Zambia**. We have learnt so much from their inspiring story.

We would like to thank our school community for your care and compassion in helping those in need and generously donating £750 to the Libya/Morocco appeal. The money will go to Islamic Relief, helping people in need.

As part of our school fund raising for **the Pakistani floods** today, we have currently raised an impressive £1201.52 and counting! Thank you to our whole school community for your generosity. The proceeds will be donated to Islamic Relief. [@IslamicReliefUK](https://www.instagram.com/islamicreliefuk)

We pledged our support to **Manchester City Council's Climate Change Action Plan** to ensure we undertake our duty for a cleaner and safer local and global community. [@ManDioEco](https://www.instagram.com/mandioeco) [@mcr_education](https://www.instagram.com/mcr_education)

At St Margaret's, we see lunchtime football as a chance to learn the rules of the game. Our 5 simple rules help our **children have fun, keep safe, build friendships and grow into respectful players.**

Year four have enjoyed listening to our candidates' speeches, voting and deciding on our two new school councillors! **We enjoyed taking part in the democratic process.**
