# Wisdom, knowledge and skills

**Curiosity, Creativity**-Year 3 have started to study Chinese bowls to gain ideas of how to make their own versions and have learnt about how countries can be in different time zones.

Year 2 had a fabulous time on their trip to Alexandra Park. They went pond dipping based on their science unit of habitats. They also recapped some of their Year 1 knowledge by doing some rubbings to identify different trees

## We live our school values through everything we endeavour to do

In RE, Year 2 have been learning about different Jewish artefacts. They matched up the pictures to the correct caption. They then discussed items that are precious to them and items that are precious to Jewish people.

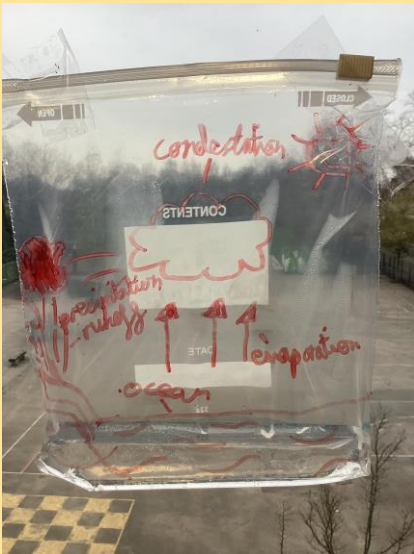

The children have loved beginning to learn about our new topic in Reception - Our World. We have discussed the places we have visited around the world and shared our holiday photos and they have even begun to make their own maps of our community.

**Resilience, Responsibility-** Head Coach Munir with the South Manchester inter-school champions, St Margaret's

**Curiosity**-Year 4 has been learning about the water cycle. They created their own miniature version in a bag and have taped them to their classroom windows to see what happens.

**Responsibility**-Our newly elected Litter Monitors learnt about the dangers of litter with Emma from [@KeepBritainTidy](#)

They helped tidy our school grounds. They will be responsible for keeping our school litter-free during their lunchtimes. [@EcoSchools](#)

Year five welcomed **Reverend Caroline Wickens** from Whalley Range Methodist Church. She explained how Christians care for the environment. We prepared some questions and thoroughly enjoyed the workshop.

## Reception World Book Day!

This year we had some fabulous costumes! We also invited our lovely parents into school for a story time. It was wonderful to see our parents and children reading together and promoting the love of reading ❤️🇬🇧

We had our Accelerated Reader Celebration Assembly! We announced our 100% club raffle winners; our new Word Millionaires; our top 10 readers according to word count and our class word counts - see below for all our winners!
