

Summer Term – Friday 16th May 2025

School Newsletter

Welcome from the Headteacher

A huge well done to all our Year 6 pupils who completed their SATs this week. We are incredibly proud of how calm they have been this week and the maturity they have shown.

Thank you to all parents who completed the parent survey. We will be sharing our findings in the coming weeks.

Year 3: Ivan S

Year 4: Amirah J

Year 5: Abdullah J

Year 6: Abdulrahman

This term year 2 have been learning about different patterns in Art. This week, we created our own repeated patterns using printing blocks.

Reception had an absolutely fantastic time at the zoo last Friday! They saw so many different animals and watched a demonstration from the sea lions. The children did a lot of walking but showed their best listening. They were very tired by the time they got home!

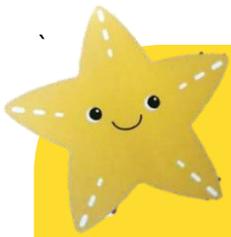

To celebrate finishing their SATs tests, year 6 crafted outfits from recycled paper and their old revision notes!

Year 4 have been learning about the techniques of tie-dye. We made our very own tie-dye t-shirts. We can't wait to see the finished results once they are dry.
