Year 4 had a visit from our resident photographer Mr Hayhurst. He used some of his own photographs of local areas like Alexandra Park to help us understand one-point perspective.

Year 2 had a wonderful time at Old Trafford. We had a stadium tour, visited the changing rooms and tried on some famous footballer's shirts linked to their PE topic of football. The children were impeccably behaved.

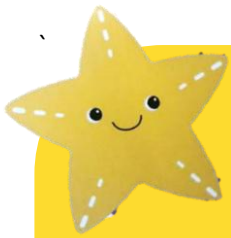

Year 5 children attended a fantastic 'Orchestra Day' hosted by The Manchester Grammar School Music Department, where they joined MGS students, local primary schools, and professional musicians for a day of inspiring music-making, rehearsals, and workshops—forming one large, collaborative orchestra!

Blue Room

As part of our English, we were learning about growing. We planted sunflower seeds and watched them grow.

Clean Air Day 2025

Street and Garden Party at St Margaret's C of E Primary School

Our 'Clean Air Day' street and garden party was well attended by our families and local residents. The puppets, choir, poetry reading, street games, street food and ice creams were enjoyed by all. Let's keep working together to keep our air clean and our streets safer by walking and cycling to school.

Friendly Reminders

- Please return any House point tokens to school, we are running low on stock
- If you have any trousers or leggings your child has grown out of, can you please donate them to school
