Spring Term - Friday 30th January 2026

Headteacher's update

Thank you to all the parents who attended Parents' Evening this week. It was a great success, and we hope you enjoyed hearing about your child's progress and seeing the fantastic work they have completed so far this year.

Our Blue Room children thoroughly enjoyed their visit to the Runway Visitor Park at Manchester Airport. Meanwhile, Year 6 took part in an informative visit to the Imperial War Museum North

The value of half term is...

Resilience

Children learned about the inspiring life of Nelson Mandela and how perseverance can overcome the greatest challenges.

Year 6 enjoyed a trip to the Imperial War Museum this week!

Reception have enjoyed using the construction area outside this week to build bridges and dens.

Blue Room attended a workshop at the Runway Visitor's Centre, where they learned all about the plane classroom. The children dressed as pilots and flew the plane from the cockpit—what an exciting experience!

Year 5 have been taking care of chicks to observe a bird's life cycle. It's been smelly, but fun!

Nursery children have been practising their fine motor skills by pegging a snowflake.

Year 2 have continued enjoying their target games in PE. This week they played boules.

We welcomed Vicky Brand from Manchester Community Dental Service to our **Oral Health** and Hygiene coffee morning, where she shared helpful advice on healthy diets for teeth and brushing techniques.

[Click here to visit the Healthy Lifestyles section of our website](#) for useful oral health resources.

Our **Parent Health Champions** took part in oral health and hygiene training with Natasha Bent from the **Manchester Community Dental Service**. They then visited the Nursery to teach the children all about how to look after their teeth.

Online Safety Tip

Not everything online is true
Children often trust information because it looks professional or appears first in search results.

Try this at home:
Ask "Who made this?" or "How do they know?"

Year 5 met farmer Jannine McMahon to explore **farming** stereotypes and learn about agroecological methods that protect our farmands.

Our children learned about **orchard biodiversity** with Joe Ford from **The Orchard Project** and helped mulch and prune our apple, plum, and pear trees for summer.
