Reception children have had a secret visit from the Easter bunny this week! They have been on a hunt and found some chocolate eggs

Year 4 really enjoyed their Sing-around at Manchester university. It was a truly lovely way to end our singing unit in music.

This week, Year 3 have designed and made water wells in DT and finished their final pieces of water landscapes in Art.

For their DT day, Year 2 enjoyed measuring cutting and gluing wood to make photo frames.

'Thank you to everyone who attended the 'Curiosity - What can we learn from each other' showcase. Well done to our amazing year five pupils for their excellent explanations to parents and guests from the wider community.'

Year 4 had lots of fun making pizzas! We made the dough and then added our toppings. They were delicious.
