Spring Term - Friday 27th March 2026

Headteacher's update

This week the children have completed assessment week. At the start of Summer 1 there will be another parents evening for teachers to share information with you about your child's progress and attainment. A letter will be going out about parents evening before the end of term.

The Year 5 and 6 pupils had an amazing time on their residential trip, and we're so grateful to the staff who attended and helped make the experience such a success. The children returned beaming with excitement, filled with memories of all the brilliant activities they enjoyed.

Just a reminder that school closes on Thursday 2nd April for the Easter Holidays.

Reception have had a special message from Spiderman this week. The children have been busy writing back to him and making their own Spiderman masks!

This week has been schools football week! We have been playing football all week and encouraging others and promoting inclusivity!

We are so excited to announce that we have been gifted an incredible new kit from JP&Brimelow! This generous gift includes football kits for our boys & girls, rain jackets, footballs and water bottles!

Huge thanks to Eddie for making this possible!

Year 5 and 6 pupils have had a fantastic time on their residential trip to Grange over Sands. They have been hiking, abseiling, raft-building and enjoying a campfire!

The Green Team children did an Earth Hour Assembly and talked about our school's Eco Code, the importance of Earth Hour and why we should not be idling our engines outside school. We have learnt that idling engines damage the health of those sitting inside the car and also everyone else outside.

Online Safety Tip

Think Before Sharing

Once something is shared online, it can be difficult to remove.

Try this at home: Ask "Would you be happy for a teacher or grandparent to see this?"
