To celebrate **Clean Air Day 2026**, our Year 2 children took part in sensory walks along our Walking Bus routes, **discovering just how enjoyable walking can be as an alternative to travelling by car.** Along the way, they listened to birdsong, identified plants and flowers, and shared in the sense of warmth and connection that makes our community so special.

Explore our interactive maps to discover what we could see, hear, smell, and touch on our journey. **Map 1 / Map 2**

On 1st July, we will celebrate **Culture Day** with the theme "Sports – How does sport bring people together?" Pupils may wear cultural clothing and share sports traditions from their culture. Families are invited to an after-school celebration in the KS2 playground, including shared food, performances, and fun sporting activities.

CEDE Foundation is inviting children and families to join **Parktastic Summer Sessions at Alexandra Park** every Wednesday from 17th June to 16th September 2026, 5–7pm.
