

School Newsletter

Summer Term - Friday 10th July

Headteacher's update

This week our curriculum sharing events took place. Thank you to everyone who attended. The school received our The Asthma Friendly School Award is a recognition given to schools that demonstrate they have effective policies, procedures and practices in place to support children with asthma. Achieving this award demonstrates that St Margaret's is committed to providing a safe, supportive environment for pupils with asthma and reducing the risk of avoidable asthma emergencies.

Next week will be the last week of term, with Transition day taking place on Wednesday.

The value for this half term is Unity

Year 2 enjoyed making baby mobiles on our DT day! We had to make sure they were balanced and had lots of colourful images. Here's some examples of our fantastic work!

The children had a great time during curriculum sharing showing their parents some of the activities we have done this year in **Reception**

5KS have been enjoying creating Nature Sculptures in Art using recycled materials!

Year 2 and Year 5 were visited by Safety Seymour who taught us all about the dangers of Carbon Monoxide. We learned all about the gas and how to stay safe. All the children will have brought home a Carbon Monoxide alarm.

Enterprise Day - Tuesday 14th July

Year 6 will be having a variety of stalls and activities and all classes will be given an opportunity to visit during the school day. Please send your child in with some change (coins not notes).

Supporting your child's move to secondary school

Starting secondary school is a big milestone for children and families. For practical tips on helping your child feel confident, manage worries and prepare for the transition, [Click here for Place2Be's guidance for parents and carers.](#)

Our **School Councillors** proudly presented their safeguarding project, 'Our Safe School', at The Children of Manchester Safeguarding Conference this week. They also listened to pupils from other schools share presentations on important topics including internet safety, young carers, safer streets, and knife crime. It was a fantastic opportunity to learn and share ideas.

Our **choir** recently visited June Davies, our former school Governor and volunteer, to celebrate her 102nd birthday with a special performance. June spoke to the children about the importance of encouraging and supporting one another, as well as always doing their very best in everything they do.
